YOUR PERSONAL INVITATION FROM

Queensland Advocacy Incorporated

Queensland Advocacy Incorporated  
will be on site P94

The 2018 Care Expo will bring together a diverse range of community services, businesses and organisations providing products and services from the support, health and care industries, all under the one big roof!

This event is a first for Queensland providing an opportunity to discover and connect with providers from aged care, disability and in-home support through to education, mobility, mental health, social, recreational services and more.

The 2018 Care Expo will also feature a range of inspirational and educational speakers.
