

Natural Disaster Advocacy Program

What we do

Our new specialist program provides legal help to Queenslanders with disability in natural disasters.

We can help if you were impacted by the 2022 floods, or if you think you would be at risk of harm in other natural disasters.

We may also be able to work with you and your landlord to develop an inclusive emergency response plan to make sure no one is left behind in any future emergencies.

To discuss how we may be able to assist you, please contact us today.
